

This recipe card (Lovebug) is available (with lines on back) in a pre-printed set of 40 cards at our site for under \$8. [Click here](#) to see it.

The recipe card features a light yellow background with green decorative elements. On the left side, there are two stylized flowers: an orange one with a white center and a yellow one with a black center, both on green stems. On the right side, there is a red ladybug with black spots on a green mound. The word "Recipe" is written in a large, green, serif font at the top left. Below it, there are two horizontal lines for "Origins:" and "Serves:". The rest of the card is filled with horizontal lines for writing. At the bottom center, the text "CookbookPeople.com" is printed.

We offer this printable recipe card at no charge as a way to give back to all the great customers we've had since we founded [CookbookPeople.com](#) in 2007.

Come shop at our site for [recipe binders](#), [recipe boxes](#) and pre-printed [recipe cards](#) to better organize your recipes (and support our small business.) We have lots of other great kitchen gifts too!
