

This recipe card (Teal Lace) is available (with lines on back) in a pre-printed set of 40 cards at our site for under \$8. [Click here](#) to see it.

This is a decorative recipe card template. It features a teal background with intricate white floral and leaf patterns. At the top, the word "RECIPE" is prominently displayed in a white, serif, all-caps font, enclosed within a thin black rectangular border. Below the title, there are five horizontal white lines for general notes or instructions. In the center of the page, the word "INGREDIENTS" is printed in a smaller, black, sans-serif, all-caps font. Underneath this heading, the space is divided into two equal-width columns, each containing eight horizontal white lines for listing ingredients.

We offer this printable recipe card at no charge as a way to give back to all the great customers we've had since we founded CookbookPeople.com in 2007.

Come shop at our site for [recipe binders](#), [recipe boxes](#) and pre-printed [recipe cards](#) to better organize your recipes (and support our small business.) We have lots of other great kitchen gifts too!
